

# Michitoshi Tsubaki

May 31, 2025

Undergraduate Student, JSK Robotics Lab.

Department of Mechano-Informatics

Faculty of Engineering, The University of Tokyo

**Email:** tsubaki@jsk.t.u-toyko.ac.jp, michi.tsubaki.tech@gmail.com

**Phone:** +81-90-6101-0564

**LinkedIn:** linkedin.com/in/michi.tsubaki

## Affiliations

---

- JSK Robotics Laboratory
- Proxima Technology Inc.
- Tsukurable

## Education

---

<b>2022–Present</b>	Bachelor of Engineering <i>Department of Mechano-Informatics, Faculty of Engineering</i> The University of Tokyo
<b>2022–2024</b>	Natural Science I <i>College of Arts and Sciences</i> The University of Tokyo
<b>2018–2021</b>	High School Diploma <i>Eiko Gakuen High School</i> Sophia School Corporation
<b>2015–2018</b>	Junior High School <i>Eiko Gakuen Junior High School</i>

## Awards & Honors

---

<b>2025</b>	Jishupro (Mechano-Informatics Independent Production Project) 2024 – Fighting Spirit Prize
<b>2018</b>	The 8th Science Koshien (Olympiad) in Japan – Second Prize (Silver Medal)
<b>2018</b>	Rohm Open Hack Challenge 2018 – Outstanding Performance Award

## Certifications

---

<b>May 2025</b>	Undergraduate Course Certificate of Completion – Computational Science Alliance, The University of Tokyo
<b>Sep. 2023</b>	Advanced First Aid Certification – Tokyo Fire Department

## Research Interests

---

- Medical Robotics
- Robot Systems

- Computer Vision & Image Recognition
- Machine Learning
- Optimization

## Technical Skills

---

<b>Languages:</b>	Python, Julia, euslisp, C++, R
<b>Frameworks &amp; Tools:</b>	ROS (Robot Operating System), emacs
<b>Areas of Expertise:</b>	Robotics, Machine Learning, Computer Vision
